THE GUIDE TO SAVE AND SHARE

Barcelona to go.

Gaudí. Local neighborhoods. Mediterranean days.

FREE · ENGLISH · NOVEMBER 2026

A PLAN WITHOUT THE RUSH

48 hours.
Your own pace.

DAY 01

Gaudí + Eixample

Choose Sagrada Família or a Modernista house as your main visit. Explore Passeig de Gràcia and leave time for a relaxed lunch in the Eixample.

Book your timed ticket before building the day around it.

DAY 02

Gothic streets + the sea

Explore the squares of the Gothic Quarter, continue toward El Born, then end around Port Vell and Barceloneta. Take breaks; you do not need to do it all in one go.

Prefer panoramic views? Set aside a separate block for Montjuïc.

YOUR FIRST JOURNEY

More Barcelona. Less figuring it out.

01 ## T1 and T2 are different

Rodalies R2 Nord departs from the airport rail station by T2. If you land at T1, check the terminal transfer.

02 ## L9 Sud is not a direct ride downtown

The metro serves both terminals. Check the transfer and the final walk to your hotel.

03 ## Not every travel card works

T-casual is not valid at the Aeroport T1 and Aeroport T2 metro stations. Check the conditions of your chosen pass.

04 ## Choose for your destination

Compare rail, metro, Aerobús and taxi. Save your hotel address before you leave the terminal.

MAKE TIME FOR THE TABLE

Order something. Share the moment.

Pa amb tomàquet

Bread with tomato and olive oil: a simple way to start.

Escalivada

Roasted vegetables, often eggplant and peppers.

Botifarra amb mongetes

Catalan sausage with white beans: a traditional plate.

Crema catalana

A creamy dessert with a crisp caramelized sugar top.

Ask the staff to confirm ingredients and allergens. A translation cannot replace that conversation.

YOUR BASE MATTERS

A neighborhood that fits you.

01 **Eixample**

For Modernista architecture and city connections. Check your station and the actual walk to your hotel.

02 **Gràcia**

For squares and neighborhood life. Some areas are hilly; check the arrival with luggage.

03 **Gothic Quarter + El Born**

For history and walkable streets. Check noise, taxi access and recent guest reviews.

SMALL HABITS, FEWER WORRIES

Enjoy the city. Keep essentials close.

01 ## Phone and belongings

Keep an eye on bags and phones on transit, terraces and busy streets. Avoid leaving valuables on the table.

02 ## A calmer metro trip

Check the line, direction and transfer before boarding. Let others out first and keep your ticket until the end.

03 ## Get back to your hotel

Save its name and address. Before heading out, check battery, mobile data and a backup if you lose connection.

04 ## Respect the neighborhood

Keep noise down around homes and shared spaces. No area is risk-free: use normal big-city awareness.

112 In an emergency, say where you are and what happened.
